# Appendix A. Secondary Data Methodology

## Secondary Data Sources

The main source for the secondary data, or data that has been previously collected, is the community indicator database maintained by Conduent Healthy Communities Institute. The following is a list of both local and national data sources used in Memorial Hermann Memorial Hermann Greater Heights Hospital Community Health Needs Assessment.

### County Data Sources

- American Community Survey
- American Lung Association
- CDC - PLACES
- Centers for Disease Control and Prevention
- Centers for Medicare & Medicaid Services
- County Health Rankings
- Feeding America
- Healthy Communities Institute
- National Cancer Institute
- National Center for Education Statistics
- National Environmental Public Health Tracking Network
- Texas Department of Family and Protective Services
- Texas Department of State Health Services
- Texas Education Agency
- Texas Secretary of State
- U.S. Bureau of Labor Statistics
- U.S. Census - County Business Patterns
- U.S. Department of Agriculture - Food Environment Atlas
- U.S. Environmental Protection Agency
- United For ALICE

# Secondary Data Scoring

## Secondary Data Scoring Detailed Methodology

Data Scoring is done in three stages:

For every indicator available, each county in the Hospital Service Area is assigned a score based on its comparison to other communities, whether health targets have been met, and the trend of the indicator value over time. These comparison scores range from 0-3, where 0 indicates the best outcome and 3 the worst. Availability of each type of comparison varies by indicator and is dependent upon the data source, comparability with data collected for other communities, and changes in methodology over time. Indicators are categorized into topic areas and each topic area receives a score. Indicators may be categorized in more than one topic area. Topic scores are determined by the comparisons of all indicators within the topic. Secondary data for this report are up to date as of November 1, 2021.

### Comparison to a Distribution of County Values: Within State and Nation

For ease of interpretation and analysis, indicator data on the Community Dashboard is visually represented as a green-yellow-red gauge showing how the community is faring against a distribution of counties in the state or the United States. A distribution is created by taking all county values within the state or nation, ordering them from low to high, and dividing them into three groups (green, yellow, red) based on their order. Indicators with the poorest comparisons (“in the red”) scored high, whereas indicators with good comparisons (“in the green”) scored low.

### Comparison to Values: State, National, and Targets

The county is compared to the state value, the national value, and target values. Target values include the nation-wide Healthy People 2030 (HP2030) goals. Healthy People 2030 goals are national objectives for improving the health of the nation set by the Department of

Health and Human Services' (DHHS) Healthy People Initiative. For all value comparisons, the scoring depends on whether the county value is better or worse than the comparison value, as well as how close the county value is to the target value.

### **Trend Over Time**

The Mann-Kendall statistical test for trend was used to assess whether the county value is increasing over time or decreasing over time, and whether the trend is statistically significant. The trend comparison uses the four most recent comparable values for the county, and statistical significance is determined at the 90% confidence level. For each indicator with values available for four time periods, scoring was determined by direction of the trend and statistical significance.

### **Missing Values**

Indicator scores are calculated using the comparison scores, availability of which depends on the data source. If the comparison type is possible for an adequate proportion of indicators on the community dashboard, it will be included in the indicator score. After exclusion of comparison types with inadequate availability, all missing comparisons are substituted with a neutral score for the purposes of calculating the indicator's weighted average. When information is unknown due to lack of comparable data, the neutral value assumes that the missing comparison score is neither good nor bad.

### **Indicator Scoring**

Indicator scores are calculated as a weighted average of all included comparison scores. If none of the included comparison types are possible for an indicator, no score is calculated, and the indicator is excluded from the data scoring results.

### **Topic Scoring**

Indicator scores are averaged by topic area to calculate topic scores. Each indicator may be included in up to three topic areas if appropriate. Resulting scores range from 0-3, where a higher score indicates a greater level of need as evidenced by the data. A topic score is only calculated if it includes at least three indicators.

# Hospital Service Area County Data Scoring Results

## Harris County Topic Scores

<b>Health and Quality of Life Topics</b>	<b>Score</b>
Sexually Transmitted Infections	2.21
Economy	1.66
Immunizations & Infectious Diseases	1.63
Maternal, Fetal & Infant Health	1.63
Diabetes	1.61

# Appendix B. Community Input Assessment Tools

## Community Survey (English)

Memorial Hermann Health System is conducting a Community Health Needs Assessment for the Greater Houston area. This assessment allows Memorial Hermann to better understand the health status and needs of the community and use the knowledge gained to implement programs that will benefit the community. We can better understand community needs by gathering voices from the community. This survey allows community members like you to tell us about what you feel are important issues for your community.

**We estimate that it will take about 5 minutes to complete this survey.**

1. Please look at this list of community issues. In your opinion, what are the **top 5 issues** most affecting the quality of life in your community? (Select up to 5 issues)

- |  |  |
|--|--|
| <input type="checkbox"/> Diabetes  | <input type="checkbox"/> Oral Health                           |
| <input type="checkbox"/> Obesity/Overweight                              | <input type="checkbox"/> Heart Disease & Stroke                |
| <input type="checkbox"/> Respiratory/Lung Disease (asthma, COPD, etc.)   | <input type="checkbox"/> Sexual Health (HIV/AIDS, STD's, etc.) |
| <input type="checkbox"/> Cancers   | <input type="checkbox"/> Teenage Pregnancy                     |
| <input type="checkbox"/> Mental Health & Mental Disorders                | <input type="checkbox"/> Reproductive Health (family planning) |
| <input type="checkbox"/> Injuries, Violence & Safety                     | <input type="checkbox"/> Elder Care                            |
| <input type="checkbox"/> Substance Abuse (alcohol, tobacco, drugs, etc.) |  |
| <input type="checkbox"/> Other (please specify):                         |  |

2. How would you rate your own personal health? (Select one)

- Very healthy       Somewhat healthy       Unhealthy       Very unhealthy

3. About how many times a week do you exercise or perform a physical activity like walking, running, bicycling, etc.? (Select one)

- Less than 1 time a week    
  2-3 times a week    
  5 or more times a week    
  Never
- Other (please specify):
- 

4. What are some of the barriers or challenges to exercising on a regular basis for you? (Select all that apply)

- No places to exercise    
  None of my friends or family exercise  
 No time to exercise    
  No childcare  
 I don't like exercising    
  Lack of funds to pay for gym or classes  
 Feel unsafe exercising in the community    
  No transportation  
 Other (please specify):
- 

5. Has your doctor ever told you that you have any of the following? (Select all that apply)

- High blood pressure    
  Obesity  
 High cholesterol    
  Asthma  
 Cancer    
  Heart disease  
 Diabetes  
 Other (please specify):
- 

6. How much do you agree or disagree with each of the statements below:

	Agree strongly	Agree	Disagree	Disagree strongly
There are good parks for children, adults, and people of all abilities to enjoy in my community				
In the past 12 months, I had a problem getting the health care I needed for me or for a family member from any type of				

health care provider, dentist, pharmacy, or other facility				
I don't know where to get services for myself when I am sad, depressed or need someone to talk to				
I am confident I can get an appointment to see				
I have a place to receive medical care besides the emergency room				
Within the past 12 months, I worried whether my food would run out before I got money to buy more				
Within the past 12 months, the food I bought just didn't last and I didn't have money to get more.				
There are many options for healthy and affordable food in my community				

***We would like to know how COVID-19 has impacted you and your household to better understand how our community has been affected overall.***

7. We know the COVID-19 pandemic has been challenging in many ways. Please select from the following list the issues that are the biggest challenge for your household right now. (Select all that apply)

- |   |  |
|---|--|
| <input type="checkbox"/> Access to medical care (basic, emergency, or prescription)                                     | <input type="checkbox"/> Unable to find work   |
| <input type="checkbox"/> Access to food or supplies (household, cleaning, hygiene)                                      | <input type="checkbox"/> Feeling alone/isolated, not being able to socialize           |
| <input type="checkbox"/> Housing (unable to pay rent or bills, homelessness)  | <input type="checkbox"/> Feeling nervous, anxious, or on edge                          |
| <input type="checkbox"/> Childcare  | <input type="checkbox"/> Not being able to exercise                                    |
| <input type="checkbox"/> Technology challenges (access, knowledge on how to use it, necessary equipment or connections) | <input type="checkbox"/> Not knowing when the pandemic will end/not feeling in control |

- Challenges with my child's schooling (in person or virtual)       None of these apply
- Other (please specify):
- 

**REMINDER:** This is an anonymous survey. If you or anyone in your household has questions or concerns related to COVID-19, information is available at [www.dshs.state.tx.us/coronavirus/](http://www.dshs.state.tx.us/coronavirus/). If you need assistance finding local resources and support services, please call 211 or go to [www.211texas.org](http://www.211texas.org).

**Now, a few questions so that we can see how different types of people feel about the questions asked.**

8. Zip code where you live:

9. What is your age?

10. What is your race/ethnicity?

- White       Asian/Pacific Islander
- Black/African American       Native American
- Hispanic/Latino
- Other (please specify):
- 

11. What are the ages of children living in your household?

- 11 and younger
- 12-18 years old
- 18 and older
- None

12. What kind of medical insurance or coverage do you have?

- |  |                                   |
|--|-----------------------------------|
| <input type="checkbox"/> Private                 | <input type="checkbox"/> Medicare |
| <input type="checkbox"/> Employer-sponsored      | <input type="checkbox"/> None     |
| <input type="checkbox"/> Medicaid                |                                   |
| <input type="checkbox"/> Other (please specify): |                                   |
- 

**Thank you for completing this survey!**

## Community Survey (Spanish)

Memorial Hermann Health System está llevando a cabo una Evaluación de Necesidades de Salud Comunitaria para el área metropolitana de Houston. Esta evaluación permite a Memorial Hermann comprender mejor el estado de salud y las necesidades de la comunidad y utilizar el conocimiento adquirido para implementar programas que beneficiarán a la comunidad. Podemos entender mejor las necesidades de la comunidad si recogemos las voces de sus miembros. Esta encuesta permite que miembros de la comunidad, como usted, nos cuenten qué temas consideran importantes para su comunidad.

**Estimamos que tomará alrededor de 5 minutos completar esta encuesta.**

1. Por favor, mire esta lista de problemas de la comunidad. En su opinión, ¿cuáles son los **5 problemas** que más afectan la calidad de vida en su comunidad? (Seleccione hasta 5 problemas)

- |  |  |
|--|--|
| <input type="checkbox"/> Diabetes  | <input type="checkbox"/> Salud bucal                                     |
| <input type="checkbox"/> Obesidad/Sobrepeso                                  | <input type="checkbox"/> Enfermedad cardíaca y accidente cerebrovascular |
| <input type="checkbox"/> Enfermedad respiratoria/pulmonar (asma, EPOC, etc.) | <input type="checkbox"/> Salud sexual (VIH/SIDA, ETS, etc.)              |
| <input type="checkbox"/> Cánceres  | <input type="checkbox"/> Embarazo adolescente                            |
| <input type="checkbox"/> Salud mental y trastornos mentales                  | <input type="checkbox"/> Salud reproductiva (planificación familiar)     |
| <input type="checkbox"/> Lesiones, violencia y seguridad                     | <input type="checkbox"/> Cuidado de Ancianos                             |
| <input type="checkbox"/> Abuso de sustancias (alcohol, tabaco, drogas, etc.) |  |
| <input type="checkbox"/> Otros (especifique):                                |  |
- 

2. ¿Cómo calificaría su propia salud personal? (Seleccione uno)

- Muy saludable       Bastante saludable       Poco saludable       Muy poco saludable

3. ¿Cuántas veces por semana hace ejercicio o realiza una actividad física como caminar, correr, andar en bicicleta, etc.? (Seleccione uno)

- Menos de 1 vez por semana   
  2 a 3 veces por semana   
  5 o más veces por semana   
  Nunca
- Otros (especifique):
- 

4. ¿Cuáles son algunas de sus barreras o desafíos para hacer ejercicio de forma habitual? (Seleccione todo lo que corresponda)

- No hay lugares para hacer ejercicio   
  Ninguno de mis amigos o familiares hace ejercicio
- No tengo tiempo para hacer ejercicio   
  Sin servicio de cuidado infantil
- No me gusta hacer ejercicio   
  Falta de fondos para pagar el gimnasio o las clases
- Me siento inseguro cuando hago ejercicio en la comunidad   
  Sin transporte
- Otros (especifique):
- 

5. ¿Alguna vez su médico le ha dicho que tiene alguna de las siguientes afecciones? (Seleccione todo lo que corresponda)

- Hipertensión   
  Obesidad
- Colesterol alto   
  Asma
- Cáncer   
  Enfermedad cardíaca
- Otros (especifique):
- 

6. Cuánto está de acuerdo o en desacuerdo con cada una de las siguientes afirmaciones:

	Muy de acuerdo	De acuerdo	En desacuerdo	Muy en desacuerdo
Hay buenos parques para niños, adultos y personas de todas las capacidades para disfrutar en mi comunidad				
En los últimos 12 meses, tuve problemas para obtener la atención médica que necesitaba para mí o para un miembro de mi familia de parte de cualquier tipo de proveedor de atención médica, dentista, farmacia u otro establecimiento.				
No sé dónde obtener servicios para mí cuando estoy triste, deprimido o necesito a alguien con quien hablar				
Estoy seguro de que puedo obtener				

una cita para ver a mi médico, con bastante rapidez				
Tengo un lugar para recibir atención médica además de la sala de emergencias				
En los últimos 12 meses, me preocupó que se me acabara la comida antes de tener dinero para comprar más				
En los últimos 12 meses, la comida que compré simplemente no duró y no tuve dinero para obtener más.				
Hay muchas opciones de alimentos saludables y accesibles en mi comunidad				

***Nos gustaría saber cómo impactó el COVID-19 en usted y en su hogar para comprender mejor cómo se ha visto afectada en general nuestra comunidad.***

7. Sabemos que la pandemia de COVID-19 ha sido un desafío en muchos sentidos. Por favor, seleccione de la siguiente lista los problemas que suponen el mayor desafío para su hogar en este momento. (Seleccione todo lo que corresponda)

- |  |  |
|--|--|
| <input type="checkbox"/> Acceso a atención médica (básica, de emergencia o con receta)                                   | <input type="checkbox"/> Imposibilidad de encontrar trabajo                          |
| <input type="checkbox"/> Acceso a alimentos o suministros (hogar, limpieza, higiene)                                     | <input type="checkbox"/> Sentirse solo/aislado, no poder socializar                  |
| <input type="checkbox"/> Vivienda (incapacidad para pagar el alquiler o las facturas, falta de vivienda)                 | <input type="checkbox"/> Sentirse nervioso, ansioso o tenso                          |
| <input type="checkbox"/> Cuidado infantil  | <input type="checkbox"/> No poder hacer ejercicio                                    |
| <input type="checkbox"/> Desafíos tecnológicos (acceso, conocimiento sobre cómo usarlo, equipos necesarios o conexiones) | <input type="checkbox"/> No saber cuándo terminará la pandemia o estará bajo control |
| <input type="checkbox"/> Desafíos con la educación de mi hijo/a (en persona o virtual)                                   | <input type="checkbox"/> Ninguno de estos corresponde                                |
| <input type="checkbox"/> Otros (especifique):  |  |

**RECORDATORIO:** Esta es una encuesta anónima. Si usted o alguien en su hogar tiene preguntas o inquietudes relacionadas con el COVID-19, la información está disponible en [www.dshs.state.tx.us/coronavirus/](http://www.dshs.state.tx.us/coronavirus/). Si necesita ayuda para encontrar recursos locales y servicios de asistencia, por favor llame al 211 o diríjase a [www.211texas.org](http://www.211texas.org).

**Ahora formularemos algunas preguntas que nos permitirán ver cómo se sienten los diferentes tipos de personas ante las preguntas que hacemos.**

8. Código postal del lugar donde vive:

9. ¿Cuántos años tiene?

10. ¿Cuál es su raza/etnia?

- |   |   |
|---|---|
| <input type="checkbox"/> Blanco               | <input type="checkbox"/> Asiático/Isleño del Pacífico |
| <input type="checkbox"/> Negro/Afroamericano  | <input type="checkbox"/> Aborigen americano           |
| <input type="checkbox"/> Hispano/Latino       |   |
| <input type="checkbox"/> Otros (especifique): |   |

---

11. ¿Cuáles son las edades de los niños que viven en su hogar?

- 11 años o menos
- 12 a 18 años
- 18 años o más
- Ninguno

12. ¿Qué tipo de seguro o cobertura médica tiene?

- |   |                                   |
|---|-----------------------------------|
| <input type="checkbox"/> Privado                      | <input type="checkbox"/> Medicare |
| <input type="checkbox"/> Patrocinado por el empleador | <input type="checkbox"/> Ninguno  |
| <input type="checkbox"/> Medicaid                     |                                   |
| <input type="checkbox"/> Otros (especifique):         |                                   |

# Key Informant Interview Guide

**Welcome:** {HCI and Organization Introductions}

**OPENING SCRIPT:** Thank you for taking the time to support the CHNA for Memorial Hermann Health System. You have been invited to take part in this interview because of your experience working {at organization} in the community. During this interview, we will ask a series of questions related to health issues in your community. Our ultimate goal is to gain various perspectives on the major issues effecting the population that your organizations serves and how to improve health in your community. We hope to get through as many questions as possible and hear your perspective as much as time allows.

- **TRANSCRIPTION:** For today's call we are using the transcription feature in MS Teams. This feature produces a live transcript and makes meetings more inclusive for those who are deaf, hard of hearing, or have different levels of language proficiency. Our primary purpose for using this feature is to assist with notetaking.
- **CONFIDENTIALITY:** For this conversation, I will invite you to share as much or little as you feel comfortable sharing. The results of this assessment will be made available to the public. Although we will take notes on your responses, your name will not be associated with any direct quotes. Your identity will be kept confidential, so please share your honest opinions.
- **FORMAT:** We anticipate that this conversation will last ~45 minutes to an hour.

## **Section #1: Introduction**

- What community, or geographic area, does your organization serve (or represent)?
- What makes you proud about the work you, or your organization does, in the community?

## **Section #2: Community Health & Well-being**

- From your perspective, what does a community need to be healthy?
- What do you believe are the 2-3 most important issues that must be addressed to improve health and quality of life in your community?
- What makes some people healthy in the community while others experience poor health?
- Are there particular parts of the community or geographic areas that are underserved or under-resourced?
- How do people in your community view healthy eating and exercise?
  - Are there barriers or challenges to healthy eating and exercise?

## **Section #3: Access to Services**

- How easy or hard is it for community members to access health care services?
  - How has COVID-19 impacted access to care in the community?
  - What are the barriers or challenges?
  - Have you heard of positive experiences?
  - What groups have the biggest challenges accessing the health care system?
- What types of programs and services are available for children in your community?
  - How has COVID-19 impacted services for children in the community?
  - Have community members encountered any barriers when trying to access programs or services for their children?
  - What about other family members?

## **Section #4: Behavioral Health**

- How easy or hard is it for community members to access mental health care or substance use disorder treatment?
  - How has COVID-19 impacted access to mental health or substance use treatment in the community?
  - What are the barriers or challenges?
  - Have you heard of positive experiences?
  - What groups have the biggest challenges accessing mental health or substance use treatment services?

#### **Section #5: Addressing the Challenges & Solutions**

- What are some possible solutions to the problems that we have discussed?
- How can organizations such as hospitals, health departments, government, and community-based organizations work together to address some of the problems that have been mentioned?
- How can we make sure that community voices are heard when decisions are made that affect their community?
  - What would be the best way to communicate with community members about progress organizations are making to improve health and quality of life?
- What resources does your community have that can be used to improve community health?

#### **Section #6: Conclusion**

- Is there anything else that you think would be important for us to know as we conduct this community health needs assessment?

**CLOSURE SCRIPT:** Thank you again for taking time out of your busy day to share your experiences with us. We will include the key themes from today's discussion in our assessment. Please remember, your name will not be connected to any of the comments you made today. Please let us know if you have any questions or concerns about this.

I also wanted to let you know that we are conducting an online Community Health Survey that is a part of the Community Health Needs Assessment process. If you would be interested in participating in the survey or willing to help share the link with your organization, community partners, friends, or family, it would be greatly appreciated. We will send you a follow-up email thanking you for your participation [in the next few weeks – once the survey launches] and will include more information about the community survey with a link.

# Appendix C. Prioritization Tools

## Prioritization Cheat Sheet: Memorial Hermann

- For this activity, we will prioritize 15 significant health needs, considering the following two criteria: (1) Ability to Impact and (2) Scope and Severity. Please review the considerations for each of these criteria below, then assign a score of 1-3 to each health topic and criterion. To complete this activity online, go to <https://www.research.net/r/MHPrioritization>

### Consideration: ABILITY TO IMPACT

*Can actionable and measurable goals be defined to address the health need?*

*Are those goals achievable in a reasonable time frame?*

*Does the hospital or health system have the expertise or resources to address the identified health need?*

### Considerations: SCOPE AND SEVERITY

*How many people in the community are or will be impacted?*

*How does the identified need impact health and quality of life?*

*These health topics will be scored in the survey*

Mental Health and Mental Disorders
Access to Healthcare
Diabetes
Older Adults/Elderly Care
Heart Disease & Stroke
Physical Activity
Children's Health
Obesity/Overweight
Substance Abuse (alcohol, tobacco, drugs)
Wellness & Lifestyle
Oral Health
Women's Health
Cancers
Injuries, Violence & Safety
Respiratory/Lung Disease (asthma, COPD, etc.)
